

ART CRITICISM

Name/Number:

Date:

Block:

Advisory

STEP 1 IDENTIFY

What are we looking at?

Title of the artwork, date it was made

Artist, (Nationality, year of birth - year of death)

Media (materials used)

Size

Ownership

STEP 2 DESCRIBE

There are seven elements of art: color, line, texture, value, shape, form and space. Focus on the dominant elements of art and describe what you see. These must be facts, not opinions! Your descriptions need to be informative, not just simple lists. Describe the qualities of the elements you see.
